How to open a **Hairdressing** salon...

And save **thousands** in the process

---

by

Alan Forrest Smith

**Success** can be easier when you have done something before...  
Remember your first Haircut...was it **perfect** 😊

I try **not** to remember mine but after years of **experience** and **mistakes**...we  
learn...sometimes the hard way.

You can **avoid** many of the mistakes most **inexperienced** salon owners will  
make...I have made them and believe me it will **save you thousands**.

You will need to know how to deal with **the reps**, how to find the **right  
location** and even how to get your salon **designed for free**.

My mistakes will be your success`s.

**Learn** from my experience...and my success.

You want your salon to be **successful**...so do you...lets go then
